EG&G APPROVAL OF SITE SPECIFIC HEALTH AND SAFETY PLANS DMS 004 91

This letter is to confirm that EG&G has reviewed and approved the following Site Specific Health and Safety Plans for Ebasco's activities at the Rocky Flats Plant

881 Hillside Area Phase III Field Program (Operable Unit No 1)

Phase II Geologic Characterization Data Acquisition (Appendix D Deep Seismic Work Plan)

Phase II Geologic Characterization Data Acquisition (Appendix B Work Plan)

Attached are copies of EG&G's Site Specific Health and Safety Plan Review and Approval forms for these documents

Please note that modification of these plans must be approved by EG&G

Dennis M Smith  
Health and Safety Officer  
Environmental Management Division
